SUMMARY

Passionate web developer with a strong interest in building modern, responsive web applications. Skilled in **JavaScript, HTML, CSS, Tailwind CSS, React and Next JS** with hands-on experience completing projects involving authentication systems, dashboards, and e-commerce websites. Continuously learning **MERN stack development** and modern **ES6+ JavaScript** concepts, with an interest in open-source contribution and scalable backend development.

Skills

- **Frontend:** React.js, Next.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS
- **Backend:** Node.js, Express.js, REST API, JWT Authentication
- **Database:** MongoDB
- **Authentication:** Better-Auth Authentication, JWT
- **Tools:** Git, GitHub, VS Code

Projects

Drive Fleet
